DUAL DINING TABLE

Informal bistro style for full-size dining

DESIGN BRIEF

You love the informal style of bistro dining, but you want a full-size table for those more formal dining occasions. Dual Dining is a table that offers all the relaxed comfort and intimacy of the bistro with the experience of full-size dining. It looks great in any room setting, with two wood or stainless steel columns linking the glass top and bases to create a clean, light appearance that complements any contemporary style.

The tabletop and bases are made from 10 mm toughened glass, conforming to BS 6206A. The legs are simply screwed into bosses pre-bonded to the glass for stability and quick, easy assembly. Dual Dining is a table for all eating occasions.

CHOOSE YOUR OPTIONS

Dual Dining tables are available with clear, frosted or coloured glass with a choice of finishes to cherry, walnut, dark wenge or stainless steel. All glass sizes can be customised with colours, sandblasting (plain, patterned), or even with a logo to suit.

CUSTOMISE... DIFFERENT SIZES, COLOURS

If you want even more choice, we can customise Dual Dining Table units with different sizes, colours, finishes or materials.

Ask your retailer for more details.

*Consider also the Union or competitively priced Pin Elbow.
